

IMPORTANT INFORMATION ABOUT OUR RELIGIOUS EDUCATION PROGRAM

CURRICULUM

THE CATECHESIS OF THE GOOD SHEPHERD is a program which is used in **Pre-K & Kinder – 3rd Grade**.

It is about creating an environment (Atrium) where the child can "fall in love with God". The texts we present to the children are taken from the Bible and the Sacramentary. Each message is supported by materials, which are kept in the Atrium and used by the children. Through working with the materials, the child makes the proclaimed message his/her own. The catechists provide a "key" to open the children to the love of God and the riches of our Faith.

Grade 1 Traditional Class - Focuses on the persons of the HOLY TRINITY. The children are taught that God, our Creator, made each person special. They learn that Jesus, the Son of God, is our friend and brother, that He is human like us as well as divine, and that the Holy Spirit is our source of strength, peace and joy. They begin to learn that they belong to the Catholic community of Jesus' followers and participate in the life of the Church through the Sacrament of Baptism.

Grade 2 Traditional Class - We offer the children a thorough preparation to receive the SACRAMENTS OF CONFESSION and HOLY EUCHARIST. The children grow toward a closer relationship with God. They experience the Lord as the loving Father who is always ready to forgive us, Jesus who gives us Himself in Holy Communion and the Holy Spirit who calls us to love and serve each other.

Grade 3 Traditional Class - The CHURCH is the focus. Students learn about the traditional marks of the Church and the most important beliefs held by Catholics. We learn about the Sacraments of vocation and healing, as well as the 14 works of Mercy. We look at Sacramentals and Devotions.

SP I A/B and SP II A/B - Traditional Class focuses directly on Sacramental preparation. THE CATECHESIS OF THE GOOD SHEPHERD is also used in this class. It is about creating an environment (Atrium) where the child can "fall in love with God". The texts we present to the children are taken from the Bible and the Sacramentary. Each message is supported by materials, which are kept in the Atrium and used by the children.

Grade 4 We will be using CHRIST OUR LIFE for a chance for your child to learn how God calls us to live with him forever. The Commandments are taught as signs of God's love, and the Beatitudes are introduced as Jesus' way to happiness. All this is to help your child respond joyfully to God's call to live in the spirit of his love.

Grade 5 We will be using CHRIST OUR LIFE for an in depth study of the 7 Sacraments.

Grade 6 A STUDY OF THE OLD TESTAMENT. Students learn that it is in the study of the Hebrew Scriptures that we find the roots of our Faith. God is the Creator, who cares deeply for His people and interacts in their lives. Jesus is seen as the fulfillment of the Old Testament--- the one who inaugurates a new covenant through His life of Sacrifice and the proclamation of the Kingdom of God.

Grade 7 THE STORY OF JESUS. "What stories about Jesus do you remember most?" This year the students will journey through the New Testament, walking with Jesus and learning more about his life, message, and develop a relationship with the Risen Christ.

Grade 8 Centers on the HISTORY OF THE CHURCH and the future of our Church community. A survey of major historical periods that contributed to the formation of the Church as it is today. It provides the student with a deeper understanding and appreciation of their heritage.

GUIDELINES FOR STUDENTS

1. Classes begin **promptly at 9:05 a.m.** The first Sunday of CCD is September 7, 2014.
PARENTS, please make sure your children are in class **ON TIME!**
It disrupts the class when children arrive late. It is important that the children eat breakfast prior to class!
2. Inform us **if your child is sick**, or is really not able to attend, because it is our policy to call the parents if the child is not in class on Sunday mornings. The telephone number of the CCD Office is **855-7567**.
3. We expect our students to participate in class, to be polite in speech and respectful in manner. It is important students **respect all property** of the St. Patrick School. Our hope is not to have to call upon you to replace an item that was broken or misplaced.
4. **If a student continuously disrupts the class**, he/she will be removed from the classroom. If this becomes a habit the Director will notify the parents to come and sit in the classroom for a couple of Sundays to encourage proper classroom behavior.
We are NOT professionally trained to deal with children who are disruptive.
5. No shouting or running in the halls or classroom is permitted.
6. **No food or student cell phones** are allowed to be in the classroom.
7. We ask that **students remain outside their classroom** until their teacher is present.
